Introduction to Sporting Clays (1 Hour) = \$99

Designed for those interested in trying sporting clays for the first time. This package offers instruction in firearm safety and range etiquette, shotgun mechanics, and fundamentals of sporting clays. Shooters will be provided with a firearm, safety gear and ammunition in this one-hour experience.

Level I Lesson (1 Hour) = \$149

Geared towards the shooter with experience but looking to become more proficient in sporting clays. We will look at various methods of acquiring lead, understanding proper gun fit and eye dominance, managing recoil and the establishment of a pre-shot routine to raise scores and develop as a shooter.

Level II Lesson (1 Hour) = \$199

This is for an established shooter who needs in-depth instructions on specific targets presentations, eye dominance issues or basic shooting fundamentals. We will look at establishing a "Hard Focus" on targets and creating a more fluid shooting technique as well as the psychology of breaking tough targets routinely.
